Headline: **Felician Village Offers “Selling Your Home” Presentation**

The Gardens at Felician Village will hold a free presentation called “Getting Ready to Sell the Family Home?” on Wednesday, February 23<sup>rd</sup>. This presentation will feature guest speakers on topics such as how to prepare to sell your home, what to do after the sale of your home and what other housing options are available.

This presentation will be particularly helpful for someone who has lived in their house for a long time, are thinking about downsizing but just don’t know where to start. It will be helpful, too, in learning what options a person has when they are ready to move and sell their home.

This presentation is free, open to the public and will be held at The Gardens at Felician Village, 1700 S. 18<sup>th</sup> Street, Manitowoc from 2:00 p.m. to 4:00 p.m. Seating is limited, registration is required. For more information or to register, please call 684-7171, ext. 409.
