Headline: **Joint Pain Topic of Presentation at Felician Village**

Felician Village will hold a free presentation called “Defeating Joint Pain: Diagnosis and Treatment Alternatives” on Tuesday, October 28, from 6 p.m. – 7 p.m. in the Auditorium at St. Mary’s at Felician Village, 2005 Division St. Manitowoc. This presentation will be particularly helpful for someone who is suffering from joint pain or has a loved one suffering from joint pain.

The presentation will feature guest speaker, Dr. Carl DiRaimondo, Board Certified Orthopaedic Surgeon of Orthopaedic Associates of Manitowoc, and will focus on topics such as determining when to see a doctor, determining when surgery would be beneficial, managing pain without surgery and benefits of physical rehabilitation. Dr. DiRaimondo will allow time to answer questions from the audience. Felician Village staff will also be available to answer questions regarding the rehabilitation services and housing options available on the senior living campus.

Dr. DiRaimondo received his medical degree from the Medical College of Wisconsin, Milwaukee. He completed his internship in general surgery and his residency in orthopaedic surgery at Northwestern University Medical School, Chicago, Illinois. He completed his fellowship in Sports Medicine at Baylor College of Medicine, Houston Texas. Dr. DiRaimondo has been board certified from the American Board of Orthopaedic Surgery since July 11, 2003.

For more information about the presentation, please call 684-7171, ext. 231.
