Release: Immediately
Headline: **PARKING LOT OPENS AT FELICIAN VILLAGE**

A new, large, convenient parking lot will soon be available to all visitors to Felician Village. The 21st Street parking lot is scheduled to open on Monday, November 11. This parking lot will serve as the primary lot for the campus with direct access to the receptionist in the Village Square.

As the name implies, this lot is off 21st Street opposite Washington Junior High School's tennis courts. There are a total of 69 spaces including 5 for handicap parking. Patients of HFM Lakeshore Family Practice will find designated spaces located close to the main entrance. This lot is also available for employees who will be parking in the spaces furthest from the main entrance.

For more information about parking and access to all the facilities at the Felician Village campus, contact the receptionist during regular office hours at 684-7171.
