Suggested Headline: Felician Village Welcomes New Rehabilitation Clinical Manager

Felician Village is pleased to welcome new Rehabilitation Clinical Manager, Leah McCarthy, RN. McCarthy joins Felician Village with experience in a variety of healthcare settings. Her main focus at Felician Village will be managing the rehabilitation unit, *Next Step*.

As Rehabilitation Clinical Manager, McCarthy will assess, plan, implement, and evaluate the overall operations of *Next Step* in order to provide quality and cost effective nursing care in compliance with state and federal regulations. *Next Step* is the transitional care and rehabilitation unit at Felician Village. *Next Step* provides services such as physical therapy, occupational therapy, and speech rehabilitation for those needing transitional care after injury or illness requiring hospitalization but who are not ready to go home. Inpatient and outpatient rehabilitation services are also available in *Next Step*.

Prior to accepting the position at Felician Village, McCarthy had been with Woodside Lutheran Home in Green Bay Wisconsin with the position as the Medicare MDS Coordinator and Staff Educator. McCarthy has experience in providing patient care on a rehab unit, managing patient care and managing nursing staff.

McCarthy, a registered nurse, earned her Associate Nursing Degree from Fox Valley Technical College in Appleton Wisconsin.
