Headline: **Felician Village CNA Wins Award**

Teresa Enfors, a CNA at Felician Village was recently awarded the Spotlight Award sponsored by the Wisconsin Agency on Aging Resources. Enfors is one out of four in the State of Wisconsin who won this award.

Enfors has been employed at Felician Village for 23 years working as a CNA in the nursing home. As a faith based organization, Enfors has truly exemplified the mission and values of Felician Village in all her interactions: dignity of person, compassionate service, responding to those in need, justice and transformation.

As stated by Darcy Wech, Felician Village Director of Nursing, "When it comes to resident care, Teresa sets her standards high and does not settle for anything less. Her passion to treat residents with respect and dignity and to provide the highest quality of care has not subsided in the past 23 years which is to be commended. The residents that Teresa cares for are truly like family to her, and she will go above and beyond to advocate for our residents."

A reception was held on Thursday, May 6 to honor Enfors for her accomplishment. The award was presented to her during this reception and was presented by John Schnabl, Program Manager, WI Agency on Aging Resources. Others in attendance for the reception were Enfors' family, Mayor Justin Nickels and residents and staff of St. Mary's at Felician Village.

Felician Village is a continuum of care campus for seniors located on the south side of Manitowoc. The Felician Village campus includes St. Mary's, a 110 bed nursing home; The Villa, one 32-unit assisted living group homes (CBRF's); The Court, a 32 unit assisted living apartment building (RCAC) and The Gardens, 122 independent living garden homes and apartments. Felician Village, sponsored by the Felician Sisters, is home to about 275 residents and employees about 275 people.
