Headline: **Felician Village Announces New Board Member**

Felician Village recently elected **Jarod E.B. Husmann** to a three-year term on its board of directors. In that role, Husmann will share the responsibility with other board members in guiding Felician Village on its strategic path of providing living options and services to seniors.

Husmann, Depere, is the Manager of Rehabilitation Services at Aurora Medical Center-Manitowoc. Husmann has experience in directly supervising the areas of outpatient/inpatient physical therapy, occupational therapy, speech therapy cardiac rehabilitation and massage therapy. He earned his Bachelor of Arts in Health Science degree from The College of Saint Scholastica in 2001, Master of Arts in Physical Therapy from The College of Saint Scholastica in 2002, and Master of Science in Human Services with a Specialization in Healthcare Administration in March 2006.

Felician Village is a continuum of care campus for seniors located on the south side of Manitowoc. The Felician Village campus includes St. Mary's, a 110 bed nursing home; The Villas, one 32-unit assisted living group homes (CBRF's); The Court, a 32 unit assisted living apartment building (RCAC) and The Gardens, 122 independent living garden homes and apartments. Felician Village, sponsored by the Felician Sisters, is home to about 275 residents and employees about 275 people.
