Suggested Headline: Felician Village Welcomes New Clinical Manager

Felician Village is pleased to welcome new Clinical Manager, Jodi Wachowski, R.N. Wachowski joins Felician Village with experience in a variety of healthcare settings. Her main focus at Felician Village will be managing the long term care at the nursing home.

As Clinical Manager, Wachowski will assess, plan, implement, and evaluate the overall operations of *the nursing home* in order to provide quality and cost effective nursing care in compliance with state and federal regulations. As a part of the current construction project, a new Mary's nursing home is currently being constructed. This facility will be 64 beds, 4 households of 16 with one being a household for residents with dementia. The anticipated opening date for the new facility is July of 2010.

Prior to accepting the position at Felician Village, Wachowski had been with the Hamilton Memorial Home where she served as a Director of Nursing. Wachowski has experience in providing patient care, managing patient care and managing nursing staff.

Wachowski earned her Associate Nursing Degree from Lakeshore Technical College, Cleveland, and is currently continuing her education at UW Green Bay for her BSN degree.
