FOR IMMEDIATE RELEASE

Felician Village launches Felician Village at Home

MANITOWOC, Wis. (September 4, 2019) - Felician Village will launch a new membership program designed to support the health and well-being of people living in their own homes as they age. The program will help older adults continue to thrive through involvement, interactions and learning. Membership will offer access to vetted service providers, discounts, educational and social events, a daily check-in program and much more. Felician Village at Home will not provide medical services as part of this program.

Megan Bruckschen, Manager of Felician Village at Home, says that this membership program is a new concept in Manitowoc County. "Based on research we have done the past two years, we know some people will want to continue living in their own home as they age. It is our hope that this new program helps them live there safely and gives their family members peace of mind also. One of the highlights of this new program is a daily check in program that allows the members to call or text to let their care circle of loved ones know they are ok. We look forward to growing Felician Village at Home as an organic support system for older adults in our community."

Felician Village at Home will host a free, informational, kick-off event on Thursday, September 12, at 1:30 p.m. at the Manitowoc Yacht Club located at 815 Maritime Drive, Manitowoc. RSVP's are required by September 11 and can be done at fvathome@felicianvillage.org or 684-7171, ext. 425. Free refreshments and door prizes will be part of the event.

For more information, please visit www.felicianvillage.org.
