FOR IMMEDIATE RELEASE

Felician Village names January winner of Service Excellence Star Award

MANITOWOC, Wis. (February 8, 2018) - Felician Village announces Michelle Meyer, RN, was chosen for the Service Excellence Star Award for the month of January.

Michelle's nomination: "Michelle has done an outstanding job changing our physician orders in Cantata (NTT) over to the new format for our next adventure in technology. Her dedication is awesome! By doing this she has truly helped out her co-workers by taking some of that workload away. This reflects our Core Value of Transformation - she is working to improve our efficiency in our electronic charting system."

In conjunction with Felician Village's Service Excellence initiative and Resident Firstsm philosophy, selection is based on the employee's conduct as it reflects Felician Village values. Service Excellence is a way of consciously living out the mission and core values of Felician Village and fostering an environment that creates exceptional experiences for all.

Each month co-workers, residents, family members and visitors are encouraged to nominate an employee to be considered for the Service Excellence Star Award. The award subcommittee reviews the completed nomination forms monthly and a winner is selected.
