Felician Village offers Virtual Dementia Tour

MANITOWOC, Wis. (August 16, 2018) - Felician Village will be offering a free Virtual Dementia Tour for the community on Thursday, September 6 at 1:30 p.m., at Felician Village, 1635 S. 21st Street, Manitowoc. To reserve a time please call 920-684-7171, ext. 329 or fvmarketing@felicianvillage.org.

Kathy Lucey Glaeser, a recent participant of The Virtual Dementia Tour®, commented about her experience, *“Talk about walking in the shoes of another! Thank you Felician Village for the opportunity to experience what my sweet Mom is living every day...through your Virtual Dementia Tour. I was overwhelmed by the eight minute simulation and gained a greater appreciation of my Mom’s day. I highly recommend to anyone trying to gain a better understanding of dementia. Priceless!”*

The Virtual Dementia Tour® is a scientifically proven method of building a greater understanding of dementia through the use of patented sensory tools and instruction. The VDT® was created by P.K. Beville, PhD, an award-winning geriatric psychologist, dementia expert, and founder of Second Wind Dreams, Inc. Proceeds from the sale of Virtual Dementia Tour support the work of Second Wind Dreams®, an international, nonprofit organization recognized as the first in the nation committed to changing the perception of aging through the fulfillment of dreams for elders and the offering of innovative educational opportunities to caregivers, families, and communities. For more information about Second Wind Dreams and the Virtual Dementia Tour, please visit online at www.secondwind.org.

This class is being offered as part of several caregiver classes for the community throughout the upcoming year. For a complete list of 2018 classes, please visit www.felicianvillage.org.
