GO PURPLE Week at Felician Village

During June, in recognition of Alzheimer's and Brain Awareness Month, the FV Campus took part in many purple and brain healthy activities. Some of these included brain health articles on our website, purple hard-boiled eggs & brain healthy yogurt in the Village Café, a staff penny war, “wear purple day” and walk with the residents. It was a PURPLE fun-filled week for all!

Welcome New Independent Living Coordinator

Felician Village is excited to welcome Lauren Daun as the new Independent Living Coordinator at The Gardens.

Lauren is a graduate of UW Green Bay where she earned her degree in Psychology and Human Development. Prior to joining the FV team, she worked at Forefront Dermatology as a receptionist in the Manitowoc Clinic and as a medical assistant at the BayCare Clinic.

Lauren and her husband recently welcomed an addition to their family, a little boy, Logan, who is now two months old. They also have two, four-legged children, Ozzy, a Dachshund, and Mokka, a German Shorthair Pointer.

In her free time, she enjoys playing summer league volleyball and going to Shawano fishing. Lauren commented, “I am so excited to be a part of this company and can’t wait to get to know everyone!”

Please welcome Lauren to the Felician Village Team!

Sign up for trips with Lauren Daun in The Gardens Office or call ext. 402.

Mission Meditations

from the Director of Mission Services
Aaron Seng

Many of us have fond summer memories connected to July: picnics, fireworks, concerts, reunions, and more. As my own time at Felician Village draws to a close this month, I take stock of a further gift for the future: the chance to have served the many staff, residents, and families of this amazing place. In a time when so many things seem superficial and transitory, it has been humbling to work in a ministry that has continued a legacy of Felician care in Manitowoc for 130 years. For the chance to share in so many journeys and stories, I count myself richly blessed - and I pray that rich blessings continue on the dedicated staff and all those who call this place home. May the words of Blessed Angela ever remain in the hearts of those who live out our mission every day: “May Jesus bless you and help you at every moment, may He give you strength and perseverance, may He enlighten you so that you will carry on with zeal and prudence.” Amen!

TimeSlips Facilitators at FV

Congratulations to Connie Thimmig, Director of Enrichment Services, and Tim Reinemann, Quality of Life Supervisor for becoming Certified TimeSlips Facilitators.

Shoulder Range of Motion

Range of motion is defined as the amount of movement at a joint. Shoulder range of motion is important for everyday activities such as brushing the back of your hair, reaching for an item on a shelf, pulling up the back of your pants, and even opening a door. Simple shoulder stretching exercises a few times a week can improve your shoulder flexibility and posture. Shoulder range of motion exercises done with good posture are important to be able to do everyday activities. If you are interested in learning shoulder exercises to improve daily tasks, assist with pain, or improve your posture, please call Tiana, Rehab Director of the Therapy Department at Felician Village, at 920-684-7171 ext. 288. We preauthorize all insurance before any treatment begins, so you are aware of your coverage today. We preauthorize all insurance before any treatment begins, so you are aware of your coverage.

**For more information, contact Renee at 684-7171, ext. 381 or rthompson@felicianvillage.org**
Salute to the Red, White & Blue!

On June 14, a Flag Day Celebration was held at The Gardens. It was a beautiful tribute to the stars and stripes to which we pledge allegiance. Attendees enjoyed an all American cook out, the sounds of patriotic music and a flag raising ceremony. Thank you to the Silver Memories Choir and VFW Otto Oas Post 659 for being part of this event and helping us honor the red, white and blue, our American Flag!

Paint on Wood

Wednesday, July 26
12 - 2 p.m.
Life Enrichment Room
Cost $20.00

Join local artist, Amy Zander, for a fun-filled, hands-on, artist-instructed session! No experience necessary! Amy will guide you step-by-step through the creation of your piece while you discover your inner creativity.

In Loving Rememberance

June 2017

Carol Reichard, The Gardens & St. Mary’s
Lois Phelps, The Villa & St. Mary’s
Betty Hagen, St. Mary’s
Doris Hessel, The Villa & St. Mary’s

Please register by July 24 with Lauren Daun in The Gardens Office.
President’s Column

Summer is always a season met with great anticipation. Warm weather, longer days, and the beautiful color of flowers, grass and sky means summer has finally arrived.

A new fiscal year at Felician Village also arrived on July 1. As reported last month, our budget was approved by our local Board of Directors and then in late June, by the Board of Directors of Felician Services, Inc. The 2017-18 budget provides funds needed to continue our mission of serving the elderly. It allows us to employ the very best staff possible with a fair wage and good benefits so Felician Village remains the employer of choice in the senior living environment in Manitowoc. The new budget allows us to enhance services for our residents in areas such as continuing to update The Gardens apartments and homes, The Gardens cooling system, computer systems and dining programs across campus and increased services for those with dementia.

Through your continuing dedication, Felician Village continues to grow and respond to the increasing needs of our current residents and the community in general. None of this could be accomplished if it were not for your continued support. Thank you for choosing to live at Felician Village.

Peace and All Good,
Frank Soltys, President/CEO

Music and Movement

A new music program was started recently at Felician Village for residents in the dementia units at St. Mary’s Nursing Home and The Villa assisted living. “Music & Movement” provides residents the opportunity to respond to music through moving, singing, and playing instruments. These musical opportunities may help residents with fine motor skills, balance, coordination and self-confidence. It also provides stimulation and helps get limbs moving and blood circulating to all parts of the body – including the brain. The songs played are those from the era in which most residents were adolescents or young adults.

Leslie Edwards, who also teaches KinderMusik, a music program for young children, incorporates a variety of common objects into her classes. Residents might be swaying to a song with a colorful scarf in their hands, or shaking a bead-filled egg to keep the beat to a familiar song, or relaxing to a slow dance song while Leslie blows bubbles with a bubble gun device.

By the end of the half hour class time, residents are smiling, talking, and laughing with her and each other. It’s not unusual to see someone who normally does not verbalize much throughout the day, remember a song, smile and start singing - and then start talking to his/her neighbor!
Our Mission
To continue the healing ministry of Jesus by providing compassionate care that respects the dignity of each person we serve.

Our Vision
Our vision is to lead the community in offering seniors personalized services that are life-enriching and wellness focused.

Our Values
Respect for Human Dignity
Compassion
Transformation
Solidarity with the Poor
Justice and Peace
